Instructions

1. Which of the following should be included when documenting or citing AI usage in your assignments? *(Select all that apply)* 1 / 1 point

- [x] A screenshot, saved dialog, or prompt history when possible
  - Nice work
- [x] The date of use
  - Nice work
- [x] The nature of the AI's contribution (e.g., brainstorming, editing, translating)
  - Nice work
- [ ] The cost of the AI subscription
- [x] The name of the AI tool used
  - Nice work

2. If a student is suspected of unauthorized AI use and fails to respond to program staff, what may happen? 1 / 1 point

- ( ) No action will be taken until the student responds
- ( ) The student will automatically pass the course
- ( ) The case review will not proceed
- (•) The student's perspective may not be included in the case review
  - Nice work

3. Which of the following is NOT allowed when using AI tools, regardless of the use level? 1 / 1 point

- (•) Entering another person's private data into an AI tool without consent
- ( ) Citing the AI tool used
- ( ) Brainstorming ideas with AI
- ( ) Saving your own prompts and responses
  - Nice work

4. Which of the following student actions would be allowed in an assignment where AI tools are not permitted at all? *(Select all that apply)* 1 / 1 point

- [x] Julian writes a code solution entirely on his own without any AI assistance.
  - Nice work
- [ ] Ty submits AI-written content after making some edits, thinking that counts as his own work.
- [ ] Hana checks her code syntax using an AI tool before submitting it.
- [ ] Bella uses ChatGPT to help brainstorm ideas before she begins her assignment.
- [x] Omar reviews his essay, written first on his own, for grammar using only the built-in tools in his word processor (e.g., Microsoft Word spell check).
  - Nice work

5. Jasmine is working on a writing assignment and uses ChatGPT to help brainstorm some topic ideas. She chooses one idea from the AI suggestions and develops her own essay from scratch. How should Jasmine document her AI usage according to the policy? 1 / 1 point

- (•) She should include a note in her bibliography or references section such as: "Assistance provided by ChatGPT for brainstorming essay topics, Sept 7, 2025." She should also list the prompts used.
- ( ) She doesn't need to document it, since the final essay is her own writing
- ( ) She should write "ChatGPT wrote this essay" in the header
- ( ) She must include a screenshot of the entire essay in ChatGPT and paste it at the end
  - Nice work

6. What must you do if you use AI tools under the 'Limited AI Tool Use' level? 1 / 1 point

- ( ) Use them only after submitting the assignment
- (•) Document your usage and critically evaluate any AI-generated content
- ( ) Avoid reviewing AI outputs
- ( ) Keep AI usage secret to avoid confusion
  - Nice work
