Instructor biography

John Richards graduated from the University of New South Wales, Australia with the degrees of Bachelor of Engineering (Honours 1) and Doctor of Philosophy, both in Electrical Engineering. He is a Fellow of the Australian Academy of Technological Sciences and Engineering and a Life Fellow of the Institute of Electrical and Electronics Engineers, NY.

John was foundation Director of the Centre for Remote Sensing at the University of New South Wales in the mid 1980s and has held sabbatical positions at Purdue University, the University of California, Santa Barbara and the University of Cambridge. He was formerly Deputy Vice-Chancellor and Vice President of the Australian National University, and Dean of the College of Engineering and Computer Science.

He is an Emeritus Professor of both the Australian National University and the University of New South Wales.

John is the author of two textbooks in remote sensing: J.A. Richards, *Remote Sensing Digital Image Analysis*, 5th ed., Springer, Berlin, 2013 and J.A. Richards, *Remote Sensing with Imaging Radar*, Springer, Berlin, 2009.
