Support Vector Machine III

Quiz 04

Your grade: 100%

Your latest: 100% • Your highest: 100% • To pass you need at least 80%. We keep your highest score.

Next item

1. Choose the True/False in the following sentence. 1 / 1 point

COACH

Ready to review what you've learned before starting the assignment? I'm here to help.

Suppose you are using SVMs to do multi-class classification and would like to use the one-vs-all approach. If you have K different classes, you will train K-1 different SVMs. That's true.

- True
- False

Correct
