Public access

Not public

This bucket is not publicly accessible. If you know objects should never be exposed on the public internet, you should also prevent public access to this bucket. [Learn more](#)

PREVENT PUBLIC ACCESS

Access control

Uniform: No object-level ACLs enabled

90 days left to change this setting

All object access is controlled by bucket permissions and objects cannot have their own access control lists (ACLs). To allow per-object access, you can switch to fine-grained access within 90 days. [Learn more](#)
