(Optional) Opportunity to Mentor Other Learners

Our sincere thanks to you for enrolling in this specialization and becoming part of our global community of learners!

If you are passionate about volunteering and giving back to the community by guiding other learners to complete this specialization and/or testing other specializations published by Deeplearning.AI in Coursera, then **sign up for the DeepLearning.AI Community Program**.

Someone from the DeepLearning.AI staff will reach out to you when positions suitable to your profile are available.

Note: It is not mandatory to sign up. It is a purely optional and voluntary service.
