

Week 4 Introduction

Using the Pandas Library to Read, Sort and Filter Data

Plotting and Labelling the Data

Interpreting the Data

Video: 4.2: Eyeballing the Data
5 min

Practice Quiz: Eyeballing the Data – Review Information
3 questions

Video: 4.3: Using K-Means to Interpret the Data
8 min

Practice Quiz: Using K-Means to Interpret the Data – Review Information
2 questions

Reading: Documentation for sklearn.cluster.KMeans
10 min

Week 4 Outro and Assessment

Documentation for sklearn.cluster.KMeans

Here is the [documentation](#) for the sklearn.cluster.KMeans library.

Can you figure out how to find which cluster each point belongs to?

✓ Complete
