Pardon Our Dust

Did you know this course is part of two CU Boulder degrees on Coursera?

- The current [Master of Data Science \(MS-DS\) on Coursera](#)
- The new [Master of Science in Computer Science \(MS-CS\) on Coursera](#) (launching Fall 2023)

You may see updates to this course and related messages as we prepare to launch the new MS-CS on Coursera. **These changes will not affect your course progress.** For more information about CU degrees on Coursera and the new Master of Science in Computer Science program, please see the information in the following reading.
