IMPORTANCE VS. RECOGNITION OF EMPLOYEE WELL-BEING AND DEI WORK

% of companies that say employee work to support well-being and DEI is critical vs. % that say this work receives substantial formal recognition

Presumably generated based on the relative diameters of the circles, not their relative areas. It's subtle but still misleading.

From *Women in the Workplace 2021* published by McKinsey & Company.

STOP COMMUNIST CHINA

Sign our petition to stop the Chinese Communist government's deception and manipulation. We need Congress to act NOW to prevent China's growing influence.

100,000 - 300,000 goals reached

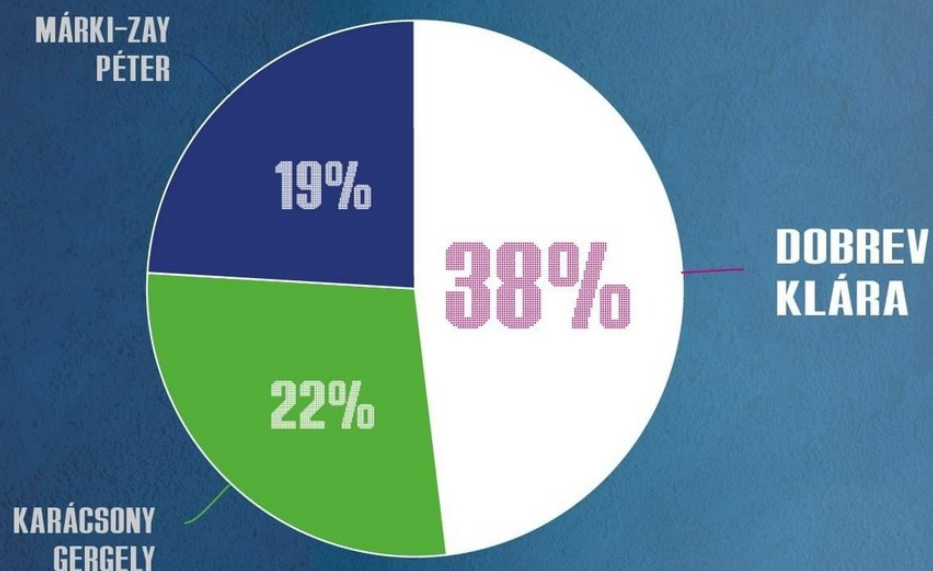

500,002 petitions of 450,000 Goal

one description matches the bar, the other totally doesn't
