PROMPT

Read Alberto Cairo's work, [Graphics Lies, Misleading Visuals](#) ¹

Locate an example of a misleading visual that uses one or more of the mechanisms for misleading that Cairo outlines in his book chapter: (1) Hiding relevant data; (2) Displaying too much data and obscuring reality; (3) Distorting data through visual forms.

Please upload an image of this visual using a widely accessible graphic format (e.g., PDF, .jpg, .png)

Misleading visualization

RUBRIC

Has the learner uploaded a visual?

☐ 0 pts

No

☒ 1 pt

Yes

PROMPT

Briefly describe the context for the visual by addressing the following questions:

1. What is the source of the visual? (e.g., URL or bibliographic citation)

2. Who is the intended audience (i.e., decoders)? How do you know this?

1. openlibrary-chevrolet's case

2. people who are interested in real life examples related to misleading visualization

RUBRIC

Did the learner provide the source of the visual?

☐ 0 pts

No

☐ 1 pt

Yes

Did the learner identify the intended audience?

Did they provide an explanation of how they know who the intended audience is?

☐ 0 pts

The learner did not identify the intended audience.

☐ 2 pts

The learner identified the intended audience, but did not provide an explanation.

☐ 4 pts

The learner identified the intended audience and they provided an explanation of how they knew who the intended audience is.

PROMPT

1. Identify the specific component(s) of the visual that is/are misleading

2. For each part(s) of the visualization that is/are misleading, identify the mechanism that is used: hiding relevant data to highlight what benefits us; displaying too much data to obscure reality; using graphic forms in inappropriate ways (distorting the data)

3. Explain how the mechanisms are used to mislead

1. Y-axis does not start at 0 point.

2. They used the graphic form in a distorted way. Y-axis is truncated to start at 95% instead of 0%.

3. In this way, they can show that Chevrolet's performance and liability are better than other car companies.

RUBRIC

Did the learner identify one or more specific components that is/are misleading?

☐ 0 pts

No

☐ 3 pts

Yes

For each component of the visual that the learner identified as misleading, did the learner identify the mechanism that was used to mislead?

☐ 0 pts

No

☐ 3 pts

Yes

Did the learner explain how the mechanisms were used to mislead?

☐ 0 pts

No

☐ 3 pts

Yes

PROMPT

Optional: Describe any additional issues you found with visual that did not fall under Cairo's three misleading mechanisms.

RUBRIC

Optional: If the learner described additional issues and you would like to provide feedback on their comments, please do so here.

Minimum 100 characters: 0
