4 min
- 📋 **Quiz:** Quiz 1

Training Models with CSV Files

Lecture Notes (Optional)

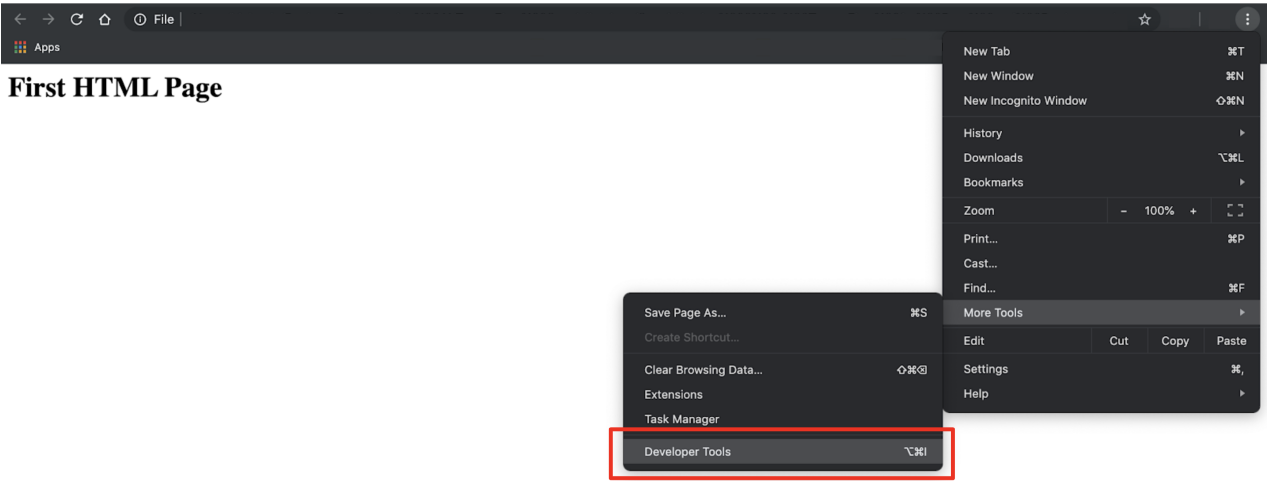

Graded Exercise - Breast Cancer Classification

Your First Model

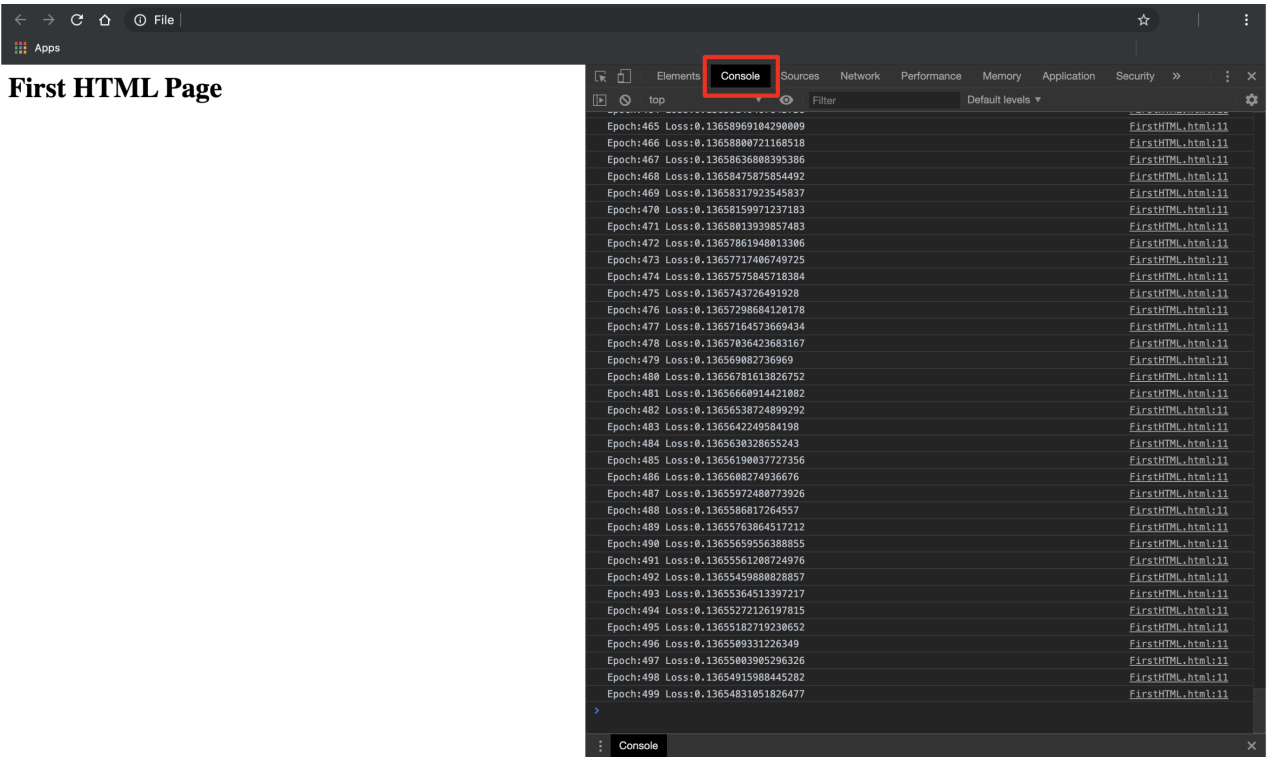

We are going to start by taking a look at a simple example. You can use Brackets to open the **C1_W1_Lab_1_FirstHTML.html** file and take a look at the code. You can find the **C1_W1_Lab_1_FirstHTML.html** file in the following folder in the GitHub repository:

[tensorflow-2-public/C1_Browser-based-TF-JS/W1/ungraded_labs/](https://github.com/tensorflow/tfjs/tree/master/tutorials/C1_W1_Lab_1_FirstHTML.html)

When you launch the **C1_W1_Lab_1_FirstHTML.html** file in the Chrome browser make sure to open the Developer Tools to see the training progress.

After opening the Developer Tools you should see the training progress in the Console:
