The Claude model family

Right-sized for any task, the Claude family of models offers the best combination of speed and performance.

Use cases for Claude

Coding

Claude models are constantly improving on coding, math, and reasoning. Our latest model, Claude 3.7 Sonnet, can be instructed to write, edit, and run code with strong troubleshooting capabilities.

Productivity

Claude can extract relevant information from business emails and documents, categorize and summarize survey responses, and wrangle reams of text with high speed and accuracy.
