Week 2 Quiz

2.6 Video Correction

In [Video 2.6 Corner Detection](#) , from 1:22 to 3:02, a coordinate system axis, labeled with x and y has been added on the right side.

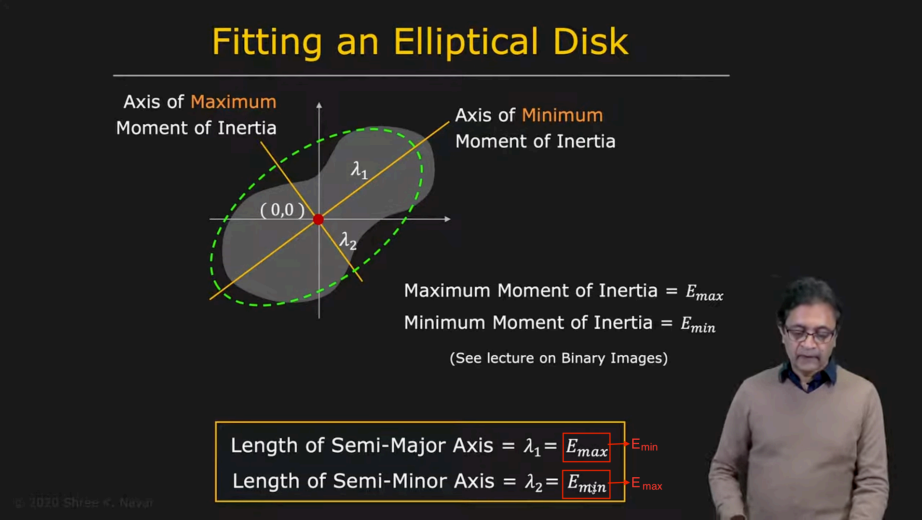

*The revisions are shown in **red** and correspond to either corrections to errors or additions made for clarity.

From 6:03 to 6:26, the first equation should be "Length of Semi-Major Axis = $\lambda_1 = E_{min}$ ", instead of "Length of Semi-Major Axis = $\lambda_1 = E_{max}$ ".

And the second equation should be "Length of Semi-Minor Axis = $\lambda_2 = E_{max}$ ", instead of "Length of Semi-Minor Axis = $\lambda_2 = E_{min}$ ".

*The revisions are shown in **red** and correspond to either corrections to errors or additions made for clarity.
