

Instructor Biography: Prof. Zerotti Woods

Dr. Zerotti Woods is affiliated with the Johns Hopkins University Applied Physics Laboratory. He was recently recognized as part of the 2024 class of MGB-SIAM Early Career Fellows. This fellowship highlights professionals excelling in applied mathematics, computational science, and data science, emphasizing diversity, equity, and inclusion. Dr. Woods' work contributes to these fields, promoting the broader engagement of underrepresented groups in mathematics and computational sciences.
