

Formative Assessment 2

Select the correct command to build a wheel.

☐

```
python3 -m wheel setup.py sdist
```

☐

```
python3 setup.py bdist_wheel sdist
```

☐

```
python3 -m pip sdist bdist_wheel
```

☒

```
python3 setup.py sdist bdist_wheel
```

The correct answer is:

```
python3 setup.py sdist bdist_wheel
```

- The `sdist` comes before `bdist_wheel`
- `-m pip` is not used to build a wheel
- `-m wheel` is not used to build a wheel
