Profile

Your email address is your identity on Heroku and is used to log in.

Email Address

sandipan.dey@gmail.com

Name (Optional)

Your name

Manage your avatar using [Gravatar](#).

Password

Changing your password will also reset your API key.

Current Password

enter your current password

New Password

enter a new password

Password must be 8 or more characters.

Confirm New Password

enter the password again

Update Password

Multi-Factor Authentication

Multi-Factor Authentication is a security control that requires users to verify their identities by providing multiple pieces of evidence before gaining access to a device or application. [Understand Multi-Factor Authentication](#)

Multi-Factor Authentication is enabled

Manage Multi-Factor Authentication

SSH Keys
