1.

In order to receive the AWS credit offer, you agree that your name and e-mail will be shared with Amazon Web Services. This is to verify that you are a Coursera learner who is eligible based on your course participation. Please note that participating in the credit offer is not required in order to complete the course. If you do not wish to participate, you may complete the course using the alternatives provided. If you do not complete this survey, we will not share your information and you will not be eligible for the offer.

Yes, I agree to share my information, including name and e-mail.

Well done!

No, I do not wish to share my information and participate in the offer.
