Learning Objectives

Learners will be able to...

- Effectively utilize `openai.Image.create` to generate a response
- Successfully generate an image using DALL-E
- Analyze and apply the various parameters available in DALL-E API calls

Make Sure You Know

You are familiar with Python.

Limitations

This is a gentle introduction. So there is a little bit of Python programming. The information might not be the most up to date as OpenAI releases new features.
