

Learning Objectives

Learners will be able to...

- Generate a response using `openai.Completion.create`
- Get familiar with PIL imaging library
- Generate an image and manipulate it using PIL
- Learn about the different parameters of the DALL-E API call

Make Sure You Know

You are familiar with Python.

Limitations

This is a gentle introduction. So there is a little bit of Python programming. The information might not be the most up to date as OpenAI releases new features.
